

## CAIPE e-Bulletin Issue 36 - November 2014

**Welcome** to the November issue of the CAIPE e Bulletin, a monthly electronic Newsletter providing concise information and links to more in depth information, predominately on the CAIPE website [www.caipe.org.uk](http://www.caipe.org.uk)

### NEWS

- **The 2014 CAIPE Chair's Event, London.** The CAIPE Chair's Event was held on 7/11/14 and involved 45 participants. The title of the day was "Research in Interprofessional Education and Practice". There were various presentations given with a final word from Scott Reeves who emphasised the importance of research focusing on the application of IPE to practice. For further details go to <http://caipe.org.uk/resources/chairs-event/?keywords=chairs+event>
- **The Abbeyfield Society Call for Research Grant Applications 2014/5.** The Abbeyfield Society is a global charity that provides housing, support and care for people at different stages of later life. Applications for grants are being offered.. There are three types of grant that are envisaged: Abbeyfield PhD Studentships, Small project grants and Pump-priming grants. For more information please go to <http://caipe.org.uk/news/call-for-research-grant-applications-20142015/>
- **Scottish and Japanese collaboration on interprofessional education**  
CAIPE congratulates Robert Gordon University, University of Aberdeen, NHS Grampian and Nagoya University on the completion of their successful project '**A Scottish and Japanese experience of patient centred interprofessional diabetic education**'. This was a 3 year project of pioneering healthcare research and a wonderful example of international and interprofessional collaboration. It merited the Motion of Congratulation from the Scottish Parliament. <http://caipe.org.uk/news/interprofessional-experts-to-conclude-anglojapanese-healthcare-research-project/>

### EVENTS

- **Cultivating Compassion, Digital Storytelling and Enhanced Patient Experience.** 3rd December 2014 at the Kings Fund in London. The conference, entitled 'Cultivating compassion: how digital storytelling is transforming healthcare' is partly intended to celebrate publication of our book by the same name, and partly an opportunity to bring together people from many disciplines across health and care and education and the third sector to explore the potential for digital storytelling to bring about changes in healthcare and healthcare education. For more information go to [http://caipe.org.uk/events/?event\\_id=174](http://caipe.org.uk/events/?event_id=174)
- **Students -Are you interested in Interprofessional Education and Interprofessional Practice?** Come to our first local Interprofessional student network meeting on Friday 5th December. To register please email [Jenny.Ford@caipe.org.uk](mailto:Jenny.Ford@caipe.org.uk) stating your name, course and university and saying whether you are a student member of CAIPE. Please let us know if you have an access needs. For further information go to [http://caipe.org.uk/events/?event\\_id=177](http://caipe.org.uk/events/?event_id=177)
- **Patient Safety, Incident Reporting, Investigation & Learning. Monday 2 February 2015, Hallam Conference Centre, London.** This conference focuses on developing effective systems and processes for patient safety incident reporting, investigation and learning. The conference will provide a national update and practical case study sessions focusing on improving incident reporting rates, using incident reporting to proactively identify errors before they occur, an extended legal sessions on incident investigation and adherence to the duty of candour, and learning lessons through incident reporting. For more information go to [http://www.healthcareconferencesuk.co.uk/patient-safety-incident-reporting-investigation-learning?amp=&utm\\_medium=Newsletter&utm\\_source=Guardianhn&utm\\_campaign=GuardiahnNov](http://www.healthcareconferencesuk.co.uk/patient-safety-incident-reporting-investigation-learning?amp=&utm_medium=Newsletter&utm_source=Guardianhn&utm_campaign=GuardiahnNov)
- **Ethics and Professionalism in Health Care. Backgrounds, Frameworks, Challenges International conference for young scholars. Call for abstracts.** The INSTITUTE FOR MEDICAL ETHICS AND HISTORY OF MEDICINE is holding a conference on the 9th–13th February 2015 in Ruhr University Bochum, Germany. New forms and structures of interprofessional co-operation have been developed in a variety of fields, such as primary care, intensive care medicine or palliative medicine. The academization of health-care professions and the emergence of new sub specialities generate a need for professional codes, legal regulations and new frameworks for health-care provision. The interdisciplinary and international conference for young scholars aims to bring together researchers from different disciplines and fields to discuss topics regarding professionalism and interprofessionalism in health care. For more information go to [http://www.ruhr-uni-bochum.de/malakow/download/pdf/2014/Callforabstracts\\_prof05062014.pdf](http://www.ruhr-uni-bochum.de/malakow/download/pdf/2014/Callforabstracts_prof05062014.pdf)
- **A date for your diaries.** The NAEP annual conference will be held at Coventry University Technocentre non the 27th March 2015. Themes covered will include values based practice, IPE in practice partnership and students challenging practice. More details to follow.

- **The 5th European Conference on Interprofessional Practice and Education.** EIPEN has announced its upcoming EIPEN 2015 conference to be held in Nijmegen, Netherlands on the 26-28 August 2015. Hosted by the consortium of Radboud University Medical Center, HAN University of Applied Sciences Arnhem and Nijmegen, Zuyd University of Applied Sciences Heerlen, Robuust, and Jan van Es Institute. The first call for abstracts will be announced shortly. EIPEN members will have the opportunity to register at a special early bird rate. For more information go to [http://www.eipen.eu/conferences\\_4.html](http://www.eipen.eu/conferences_4.html)

## **RESOURCES**

- **Using a video game to prepare students for team-based care in Pharmacy Education.** Through its newly established educational gaming company, Professions Quest, the American Association of Colleges of Pharmacy (AACP) spent the last year working on creating a video game, which will officially launch in 2015, intended to bring all health professions together to enhance learning through virtual medical mission quests. Lucinda Maine, BSPHarm, PhD, Executive Vice President and CEO of AACP said that "The students will be judged on whether they seek information from the right professions at the right time to make better patient care decisions," For more information go to <http://caipe.org.uk/news/using-a-video-game-to-prepare-students-for-teambased-care-in-pharmacy-education/>
- **International IPE Networks** A list of organisations who are involved with the sharing of information in the area of interprofessional education, interprofessional learning and interprofessional practice. For more information go to <http://caipe.org.uk/resources/international-ipe-networks-/>
